FOCUS: CHILDREN: THE NEGLECTED MISSION FIELD.

Text: *John 6:1–14*

In the miracle of the feeding of the 5,000, Andrew was the only one who noticed the child. He did not overlook the boy with the five loaves and two fish. Without the child, the miracle would not have happened. We are often tempted to neglect children in our ministry priorities. Let us trust God to give us the right mindset and attitude to value children, recognizing them as a vital part of our mission.

Prayer Points

1. Let us thank God for the gift of this day in the month of June and for the privilege to call upon His name in fellowship and supplication.
2. Pray for the ongoing Council Standing Committee meetings. Today, the Appointments and Promotions Committee begins its session. Ask God to guide every decision and discussion.
3. Thank God for the Management and Area Secretaries' meeting held earlier this week. They made key decisions and interacted with staff regarding promotions and advancement. Praise God for the success of this meeting.
4. The National Council meeting will take place on Friday and Saturday. Pray that it will result in resolutions that bring growth and development to the organization and positively impact students.
5. Pray for the work of JFCS (Junior Fellowship of Christian Students) across all Zones, States, and Areas — that it will be effective and fruitful.

6. Many JFCS branches are unreached and often lack effectiveness within various FCS formations. Pray for God's divine intervention to establish and strengthen these branches across the nation.
7. There is a significant shortage of manpower for the work of JFCS in many locations. Pray for a spiritual reawakening among brethren so that we do not neglect this vital aspect of ministry.
8. There has also been a challenge in providing adequate materials for JFCS work. Pray for provision and resources to develop and publish suitable materials to support the spiritual growth of pupils.
9. Pray that school authorities will understand and support the vision of the Fellowship — reaching children at an early age for the betterment of society and the nation.
10. Pray for journey mercies for all National Council members as they travel back to their respective locations after the meeting. Ask God for protection and safety.

Yours sincerely,
