Text: Lamentations 4:1–4 (NIV)

"How the gold has lost its luster, the fine gold become dull! The sacred gems are scattered at the head of every street.

How the precious sons of Zion, once worth their weight in gold, are now considered as pots of clay, the work of a potter's hands!

Even jackals offer their breasts to nurse their young, but my people have become heartless like ostriches in the desert.

Because of thirst the infant's tongue sticks to the roof of its mouth; the children beg for bread, but no one gives it to them."

Let us praise the name of the Lord, for His mercies endure forever. We give Him thanks for the privilege of another opportunity to gather in His presence this month to call upon His name.

Prayer Points**1. Thanksgiving for Past Victories**

Let us thank God for answered prayers over the past months. Worship Him for His faithfulness upon the FCS ministry and all He has done.

2. Thank God for Leadership Meetings

Appreciate God for the successful meetings of the Board of Trustees (BOT) and the National Council held in May and June. Thank Him for the resolutions reached that are poised to bring growth and development to the FCS.

3. Pray for Students Nationwide

Thank God for all students across our institutions in Nigeria. Declare God's blessings and favor upon them. May their strength and skills bring joy to their families and contribute positively to our nation.

4. Revival Among Secondary School Students

Many secondary school students in our communities—though precious like gold—appear confused and lost. Pray that God will intervene, turning their stories into testimonies of joy and transformation in Christ as we labor over their lives.

5. Pray for Discipleship and Mentorship

Some students are suffering due to negative influences. Ask the Lord to send godly mentors and disciplers who will lead them into spiritual stability and growth in Christ Jesus.

6. Burden for Discipleship Work

Poor school visitations and inadequate discipleship have weakened the commitment level of many young Christians today. Pray that God will raise faithful laborers, committed to building students' lives for the end-time harvest.

7. Pray for the 4/14 Window

The majority of our FCS target group falls within the 4–14 age range. Pray that these children and teenagers will encounter Christ personally before graduating from secondary school.

8. Associates and School Work

Pray for committed FCS Associates across Nigeria. Ask God to empower them for effective ministry in schools and fellowship branches, leading to the transformation of families and communities.

9. Evangelism and Discipleship Events

Pray for open doors for all evangelistic and discipleship activities scheduled for this month. Ask God to encounter every participant and draw many unto salvation in Christ.

10. Zonal and State Conferences

Some Zonal and State conferences are scheduled for this month. Pray for a mighty visitation of God at these gatherings. Ask for divine provision and wisdom for all the resource persons ministering at these events.
